LOVESICK YOUTH TAKES LIFE WHEN **SUIT IS SPURNED**

Dead Body of Albert Von Ach Found by Brothers in Timber Near Watertown.

TRIED TO SUICIDE BEFORE

Inquest Brings Out Fact That This Was the Second Attempt at Self Destruction.

ly. His lifeless body was found last night in the timber a mile from his home, by his two brothers, who had gone in search of him.

The inquest was held this morning in the Alisbrow undertaking parlors in Watertown, Coroner R. C. J. Meyer presiding. It was learned that about five years ago Von Ach made a previous attempt at suicide by slashing his wrists with a knife. His intention was to cut the arteries, but the attempt falled and his life was saved by prompt surgical attention. Several DR. CRAIG S. THOMS witnesses were heard, including the two brothers, Clarence and John Von Ach, who testified that their brother had threatened to take his life, but sirous of frightening his family. Wanted Higher Position.

VonAch was employed by a neighbor as a farm hand, but was despondent owing to the fact that he desired to become something better than a common laborer. He often spoke of Baptists may hear his message. the matter to his employer, stating that he desired to secure an educa-

Von Ach left the farm Wednesday and as he had not returned at the end of 48 hours, his brothers were notified. with the result that a search was started and his dead body found.

The tract in which the body was

Disappointed in Love.

A letter was introduced at the inquest which had some bearing upon the young man's death, but at the request of relatives it was not made public. It is thought, however, that Von Ach was disappointed in love, as a verdict of suicide.

county and had lived here all of his of one stallion and two teams of draft life. He was of German descent and pares. The exact price is not made brothers. Funeral arrangements have \$1,000 each was paid for the four

The Federal Electric Washing Machine is operated on a unique oscillating cylinder principle. This cylinder, which serves as the clothes receptable, is perforated and the hot suds are forced through and through until the clothes are thoroughly spotlessly clean. Equipped with wringer and reversible starting and stop-ping levers. Prices, f.o. b. Chi-cago, galvanized, \$85; zinc, \$95; copper, \$100.

Don't Dread Washday

Let one of these electric washers banish its work and worry

Your weekly washing can be done better and more easily, quickly and cheaply by means of an Electric Washing Machine. Without effort on your part, your largest washing will be washed and wrung in scarcely any time. All you do is put in the water, clothes and soap and turn the switch.

Electric Washers do not rub or tear the materials; cleansing floods of snow-white suds are forced through and through the fibres of the fabrics. The daintiest clothes are uninjured and the heaviest blankets are cleansed to absolute purity. The cost of operation is but a few cents a week-really you should not be without this economical, modern convenience.

When next you are in Chicago, come in and see a demonstration of all the leading makes and models of Electric Washing Machines. Write today for interesting literature.

ELECTRIC SHOP - CHICAGO Michigan and Jackson Boulevards

The Judd Electric Washer literally handles the water, forcing it through the clothes 100 times per minute. Perfectly smooth inside - can't wear out the clothes. Washes and wrings at the same time. Patented safety guard rollers. Model "C", capacity 8 sheets, galvanized, \$95, copper \$115. Model "D", capacity 12 sheets, galvanized, \$115, copper, \$135.
